Knowledge to create developed personality
NOE
Nature Oriented Education

चैतन्येव ज्ञानं अस्ति। ऋते ज्ञानात् न मुक्तिः।

Meaning - Consciousness is knowledge. Liberation is not possible without knowledge.

NOE (Nature Oriented Education) is an educational methodology based on the traditional wisdom, five element and practices (Rishi Gurukul) in which education is given and taken through enquiry, observation, contemplation and experience to make life more meaningful and successful. It is a process of learning and preparing the learner to choose the field of work in accordance with own nature.

PURPOSE

Develop quality of personality through development of inherent qualities Make learning more interesting, meaningful & useful for self and society Develop independent thinking ability

BELIEF

Success in life is more likely if the study of subjects undertaken is in alignment with the inner nature i.e the likes and dislikes that every being has.

NOE is the holistic and systematic methodology for personality development
